

February 5, 2015

Hi, my name is Elizabeth Brown, and I live on Standing Stone Drive. I have lived in Ayersworth Glen since October 2012. Please accept this letter as my formal intent to re-run for the Ayersworth Glen HOA.

Since the beginning of 2014 when it was turned over from the developer I have been serving on the Ayersworth Glen HOA as the Secretary/Treasurer. I would like to continue being a part of the HOA so I am asking for the community support.

I feel I have made a positive contribution to our community. As a group we have struggled with many different issues and worked through many. We are heading in the right direction with getting our committee's in place, including the Fining, and Appeal committees who will be able to enforce our CCR's. We have developed a technology committee which has created a new website for the community (Ayersworthglen.com). Information about upcoming events or community updates are posted. We are also now on Facebook, come by and "Like" our page.

As a group we are working on collecting overdue Association Fees and getting fines set for homeowners that are not taking care of their homes. We are working on obtaining email addresses for the homeowners in our community so we can have a way to communicate with our neighbors.

There is so much more to do, and I would like to do what I can to keep our community moving in a positive direction and making our community a proud place to call home.

Thank you for your consideration.

Elizabeth Brown

Please accept my notice of intent to be a candidate for the Board of Directors position with the Ayersworth Glen Homeowners Association.

My Husband and I purchased our home in the Ayersworth community in June of 2009. I have worked in the Multi-Family/Condominium field since 2000 and feel my experience in working with a variety of communities and residents will be of value to our community and Association needs.

I hope to be able to bring my experience and skills to our Association and look forward to being of service to my neighbors and community.

Experience:

Multi-Family/Condo communities – Area Manager (10 properties–1300+ units)

Multi-Family/Condominium Community – Property Manager (451 units)

Multi-Family Community – Assistant Manager (250 units)

Florida Licenses:

Community Association Manager (CAM) – Licensed since 2005

Real Estate Sales Associate – Licensed since 2006

Notary Public – Licensed since 2002

Thank you,

I would like to take this opportunity to officially present my candidacy for board member seat in our Home Owners Association. We moved to Ayersworth Glen in 2009, our first new home in a new community. We have seen our community grow since then and we are glad to have such friendly neighbors that care about this subdivision as we do. I'm a married 34 year old Christian father of a 7 year old daughter; and for this reason I want to live in a community that is clean, safe and maintained so that my family and I may continue to enjoy living in a beautiful place like this. I would like to ask for your support in this election process to ensure that our home owners have a voice and to protect our community, our funds and to guarantee that our money is used in a responsible manner.

Thank you for your time and your support.

Bio for Christopher Rezac

My name is Christopher Rezac and I have been a resident of Ayersworth Glen for the past 3 years. I am 32 years old and have been a resident of Hillsborough County my entire life. The only time I was not physically residing in our county, but maintained my residency was while I served on Active Duty in the United States Army. My wife and I have been married for 9 years and we have two children who are 6 and 3 years old.

I have worked in Finance since 2001 and held many different positions. I have worked for Banks, Credit Unions, Mortgage Companies, and the United States Army. I spent 4 years on Active Duty stationed at Fort Bragg, NC in the 82nd Airborne Division then with the Florida National Guard in St. Augustine, FL for 2 years. While on Active Duty I spent 12 months deployed supporting Operation Iraqi Freedom where I served on the finance team that provided financial services for all operations in North East Iraq and over our deployment we had zero loss in funds. My current position is as a Mortgage Lending Closing Officer with a national Bank and prior to this position I was a Branch Manager for a Credit Union.

I feel as though I would be a great asset for this Home Owners Association Board because of my experience dealing with complex financial matters because of my extensive financial background plus my attention to detail in regards to regulations and appearance that I learned throughout my time in the United States Army. As a concerned home owner in our community I have a vested interest to make a difference and not to just carry along with what our previous boards have done in the past that has yet to improve our community. I am not afraid to take a hard stand against what isn't right or to put in work to make improvements.
